"Lífe is beauty. Admire it" Mother Teresa

Dear Friends and Participants,

As we enjoy the season of Spring, may we take time to fully appreciate all the beauty around us! As the poet says" Let the beauty you love be what you do-There are hundreds of ways to kneel and kiss the earth. "(Rumi)

Mothers Day is a reminder to honor the one who brought us into this world-our first teacher, our mother. If we consider our global identity, perhaps we can take another step to honor Mother Earth who brings forth all who share this home, this planet.... and if we consider our galactic identity, we contemplate the One who gave birth to all creation - Divine Love - Divine Intelligence....how do we express our gratitude for the blessing of this life?

As we anticipate re-opening so many programs that have been closed during covid, Heart of Many Ways would like to invite you to give us some input about what you are looking for. Please follow this link to a very simple survey that will hopefully help us to respond to your needs:-

Kundalini is in essence the life force of awareness, the developmental drive and passion to be. When we elevate the Kundalini energy within each individual, we encounter a force in our nervous system and psyche that strips away all that is not needed. We drop wordless and wonder- filled into direct stillness (shuniya) of all that exists.

A QUIZ!

The following quotes to honor Mothers Day come from many of the different religious traditions of the world. Can you place which tradition they each belong to? (Hindu, Buddhist, Zoroastrian, Native American, Jewish, Christian, Islamic)

(answers for last month's quiz:- 1-Native American, 2 Buddhist, 3 Jewish, 4 Hindu, 5 Zoroastrian, 6 Islamic, 7 Christian)

- 1). Even as a mother at the risk of her life would watch over her own, her only child, So let us with boundless mind and goodwill survey the whole world.
- 2) "The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee; therefore also that holy thing which shall be born of thee shall be called the Son of God."
- 3) So each one, whether enlightened or unenlightened,
 whether truly or falsely,
 lifts up his voice to speak.

 Directly through the spirit, Armaiti comes.
 She stands by to counsel with us whenever we are in doubt.
- 4) Happy is the one that findeth wisdom ...
- ...She is more precious than rubies: and all the things thou canst desire are not to be compared unto her.

She is a tree of life to them that lay hold upon her; and happy is everyone that retaineth her

- 5) O Mother of the universe, there is nothing to be wondered at if Thou shouldst be full of compassion for me, for a mother does not forsake her son even if he has innumerable faults.
